X1 19. [REDACTED] HEARING Delivered to Jim Michie, Senate Judiciary Subcommittee on Administrative Practice and Procedure staff, declassified Agency documents on the destruction of Agency documents concerning the use of drugs in human experimentation. These documents were reviewed by DDS&T and were declassified to conform to information released in the unclassified version of the 1963 IG report which was declassified under the Freedom of Information Act.

X1 20. [REDACTED] Met with Duke Short, Senate Judiciary Internal Security Subcommittee staff, and left with him the prepared statement of [REDACTED] for Short's review. Short requested that a preliminary staff interview with [REDACTED] be arranged at the earliest opportunity to discuss [REDACTED] giving Executive session testimony. Short said he had heard from the Canadian Broadcasting Company and they are willing to tape the interview of [REDACTED] in studios in Washington, D.C. on 8 or 9 April. Short asked that our people contact [REDACTED] and confirm the arrangements. Short requested that I check out a letter from a constituent in South Carolina to Senator Strom Thurmond (R., S. Car.), requesting that the Senate Judiciary Subcommittee on Internal Security substantiate a radio broadcast that the constituent heard on 2 February 1976 raising an allegation concerning Henry Kissinger, Secretary of State.
